

UC19Ottawa Conference at a Glance

It's getting down to the crunch! Don't miss Canada's largest networking and learning event this year!

Register now to join us at the 17th Annual National 'Unmanned Canada' Conference and Trade Show in Ottawa from October 30 to November 1, 2019.

Unmanned Canada 2019: Innovating Canada by Air, Land and Sea is the premiere event to expand your business network and gather new knowledge about emerging aerial, ground, and marine vehicle system technologies. Find clients and suppliers at our trade show and arrange B2B meetings with public and private sector decision-makers.
